End of another year..

I can't quite believe that we have come to the end of another school year. This is the perfect time for me to pass on my thanks. Firstly, I would like to thank all of you for your continued support for St Mary's. The amount of money that has been raised via your continued support of all of the "Friends of St Mary's" events. I would like to thank all of the staff for their hard work and commitment throughout the year, and the representatives of the Academy Committee and the MAC for the support that they have given to the school. My last thank you is to all of the wonderful children at St Marys. They continue to make us all so proud of them. Not only with their academic achievements, but with the way in which they represent the school in the community. We have had some fabulous sporting achievements and made some wonderful memories with trips and the year 5 & 6 residential.

I would like to say goodbye to our Year 6 children who are leaving us to move to their chosen secondary schools. This is an exciting time for them and a great opportunity to make new friends and enjoy new experiences. We all look forward to hearing how they have settled in at their new schools!

Unfortunately, we have to say goodbye to two members of staff at the end of this school year: Mrs Nock and Miss Chadry are both leaving us. Both of them have contributed to life here at St Mary's and their dedication and unwavering support of all the children has been fantastic. We wish them all the very best for their future.
