

Home Learning Plan

The table below outlines the planned weekly coverage for your child. Each day your child's teacher will share learning activities and supporting resources on Wakelet (<https://wakelet.com/>) Links to individual classes pages can be found on the inside cover of children's books or on the school website. These activities will need to be completed in your child's home learning book which they will be required to bring back to school once it reopens. If your child has been absent from school and so has not received their book, or if the exercise book is completed, then any paper or alternative book can be used. If you have any queries or require support, please see the "COVID19" tab on the website for ways to contact the school.

Year Group	Reception				
Week	2	From	30.3.20	To	3.4.20
Topic Project	This week's project aims to provide opportunities for your children to learn more about the environment. Learning may focus on changes to different environments, the impact of humans on the environment and climate change. These activities are available on Wakelet.
