

Home Learning Plan

The table below outlines the planned weekly coverage for your child. Your child's teacher will continue to share learning activities and supporting resources on Wakelet each day (<https://wakelet.com/>) These activities can be completed in your child's home learning book or on any paper children have available. We will look at this work once school reopens. If you have any queries or require support, please see the "COVID19" tab on the website for ways to contact the school.

<b>Year Group</b>	Reception				
<b>Week</b>	12	<b>From</b>	6.7.2020	<b>To</b>	10.7.2020
<b>Topic Project</b>	Over the next two weeks we will learn more about Animals, continuing with the theme of 'Animal Habitats'. I would like you to make a 'Habitat in a Box'. It can be a habitat for an animal that lives somewhere hot or cold. Research where different animals live to help you decide which animal habitat you will create for your project.				
<b>Subject</b>	<b>Focus</b>	<b>Overview of Home Learning Activities</b>			
<b>Reading</b>	Reading Skills	Read for 10-15 minutes every day – keep a note in your reading record. Use one of the reading resources provided on Wakelet (English) or books you have at home.			
<b>Writing</b>	Phonics	Join in with daily phonics lessons on Ruth Miskin's Read Write Inc. YouTube channel (see link of Wakelet – English). Complete one of the follow-up lessons on Word Reading and/or Spelling. Choose Set 1, 2 or 3 depending on ability and level of challenge.			
	Handwriting	See this week's handwriting sheets on Wakelet (English). One sound per day – this week we are focusing on ow, o-e, oo, u-e, or and aw.			
	Literacy/Writing	Complete this week's lessons and activities all based on 'Animals – Animal Habitats' (see daily lessons on Wakelet – Literacy). These will continue to look at polar habitats, write descriptions of polar animals, explore and label wet habitats, and learn about high and low habitats.			
<b>Maths</b>	Mental Maths	With a focus on 'Doubling Numbers', spend 10 minutes each day working on a selection of different Mental Maths activities (see Wakelet – Maths).			
	Number or Shape, Space and Measure	Complete this week's lessons and activities all based on 'Weight' (see daily lessons on Wakelet – Maths). Child will learn to use language to weight, estimate and compare the weights of objects, use scales, and order objects by weight.			
<b>RE</b>	Prayer	This week we will continue learning about 'Prayer', showing an understanding that prayer is a special time for people to spend with God. Complete some of the Prayer activities provided on Wakelet (Topic and RE), including recalling prayers they have learnt and to take part in devising prayers of thanks.			
<b>Understanding the World</b>	Animals	We will learn about different types of pets and share experiences of having our own pets. Complete some of the 'Animals – Animal Habitats' activities provided on Wakelet (Topic and RE), including learning about animals who live in polar habitats, wet habitats and high/low habitats, creating a crafty polar bear, devising underwater dances, sorting animals and making nests.			
<b>Physical</b>	Keeping Active	Join in with a daily physical activity. Choose which one you would like to do from the selection provided on Wakelet (Topic and RE).
