

Home Learning Plan

The table below outlines the planned weekly coverage for your child. Your child's teacher will continue to share learning activities and supporting resources on Wakelet each day (<https://wakelet.com/>) These activities can be completed in your child's home learning book or on any paper children have available. We will look at this work once school reopens. If you have any queries or require support, please see the "COVID19" tab on the website for ways to contact the school.

Year Group		Reception			
Week	9	From	15.6.2020	To	19.6.2020
Topic Project	Over the next two weeks we are continued to learn about Animals, moving onto the theme of 'Night and Day Animals'. I would like you to complete a project finding out about different nocturnal animals e.g. – bats, hedgehogs, owls, badgers. Find out information about each creature, where they live, what they eat, what they do, fascinating facts etc. Be creative with how you present your project – perhaps a diary, poster, booklet or computer presentation				
Subject	Focus	Overview of Home Learning Activities			
Reading	Reading Skills	Read for 10-15 minutes every day – keep a note in your reading record. Use one of the reading resources provided on Wakelet (English) or books you have at home.			
Writing	Phonics	Join in with daily phonics lessons on Ruth Miskin's Read Write Inc. YouTube channel (see link of Wakelet – English). Complete one of the follow-up lessons on Word Reading and/or Spelling. Choose Set 1, 2 or 3 depending on ability and level of challenge.			
	Handwriting	See this week's handwriting sheets on Wakelet (English). One sound per day – this week we are focusing on oo, ar, or and air.			
	Literacy/Writing	Complete this week's lessons and activities all based on 'Animals – Night and Day Animals' (see daily lessons on Wakelet – Literacy). These will focus on exploring the stories 'Night Monkey Day Monkey' and 'Owl Babies'. Children will discuss/share ideas, make predictions, explore similarities and differences, create descriptions, and write words/sentences about different pets.			
Maths	Mental Maths	With a focus on 'Saying One Less', spend 10 minutes each day working on a selection of different Mental Maths activities (see Wakelet – Maths).			
	Number or Shape, Space and Measure	Complete this week's lessons and activities all based on 'Halving and Sharing' (see daily lessons on Wakelet – Maths). Understand that we halve when we share quantities into two equal groups, make a distinction between fair and unfair sharing, and solve problems involving halving and sharing equally.			
RE	Pentecost	Continue learning about Pentecost, recalling some of the elements of the story of the coming of the Holy Spirit. Complete some of the Pentecost activities provided on Wakelet (Topic and RE), including discussing making and keeping promises (including how Jesus kept his promise to the disciples).			
Understanding the World	Animals	We will learn about different types of pets and share experiences of having our own pets. Complete some of the 'Animals – Night and Day Animals' activities provided on Wakelet (Topic and RE), including classifying some day time and night time activities, exploring the physical characteristics of nocturnal and diurnal flying animals, and learning about animals that burrow.			
Physical	Keeping Active	Join in with a daily physical activity. Choose which one you would like to do from the selection provided on Wakelet (Topic and RE).
