

Home Learning Plan

The table below outlines the planned weekly coverage for your child. Each day your child's teacher will share learning activities and supporting resources on Wakelet (<https://wakelet.com/>) Links to individual classes pages can be found on the inside cover of children's books or on the school website. These activities will need to be completed in your child's home learning book which they will be required to bring back to school once it reopens. If your child has been absent from school and so has not received their book, or if the exercise book is completed, then any paper or alternative book can be used. If you have any queries or require support, please see the "COVID19" tab on the website for ways to contact the school.

Year Group	Reception				
Week	3	From	4.5.2020	To	7.5.2020
Topic Project	Over the next two weeks I would like you to keep a Food Diary. Write down and/or draw what you have to eat each day. Include breakfast, lunch, dinner and any snacks. Which food items are healthy and which are unhealthy? Compare to 'The Very Hungry Caterpillar'. Do you have a balanced diet like him?				
Subject	Focus	Overview of Home Learning Activities			
Reading	Reading Skills	Read for 10-15 minutes every day – keep a note in your reading record. Use one of the reading resources provided on Wakelet (English) or books you have at home.			
Writing	Phonics	Join in with daily phonics lessons on Ruth Miskin's Read Write Inc. YouTube channel (see link of Wakelet – English). Complete one of the follow-up lessons on Word Reading and/or Spelling. Choose Set 1, 2 or 3 depending on ability and level of challenge.			
	Handwriting	See this week's handwriting sheets on Wakelet (English). One letter per day – this week we are focusing on c, k, u, b and f.			
	Literacy/Writing	Complete this week's lessons and activities all based on 'Life Cycles' (see daily lessons on Wakelet – Literacy). These will focus on exploring the story 'The Very Hungry Caterpillar', learning about how the caterpillar grows and changes, reading words and simple report sentences, and writing labels.			
Maths	Mental Maths	With a focus on 'Counting Back In 1s', spend 10 minutes each day working on a selection of different Mental Maths activities (see Wakelet – Maths).			
	Number or Shape, Space and Measure	Complete this week's lessons and activities all based on 'Adding More' (see daily lessons on Wakelet – Maths). Use real objects and pictures to see that the quantity in a group can be changed by adding more.			
RE	Easter	Learn about why Easter is a time of celebration and remembrance. Complete some of the Easter activities provided on Wakelet (Topic and RE), including reflecting on things you want to remember. Draw attention to Prayer and Worship on the school website.			
Understanding the World	Life Cycles/VE Day	We will begin to learn about the life cycle of a caterpillar/butterfly. Complete some of the Life Cycle activities provided on Wakelet (Topic and RE), including sequencing, making playdough caterpillars and painting symmetrical butterflies. Celebrate VE Day by decorating a flag and creating a 'peace' poster.			
Physical	Keep Active	Join in with a daily physical activity. Choose which one you would like to do from the selection provided on Wakelet (Topic and RE).
