

You Were Like Me

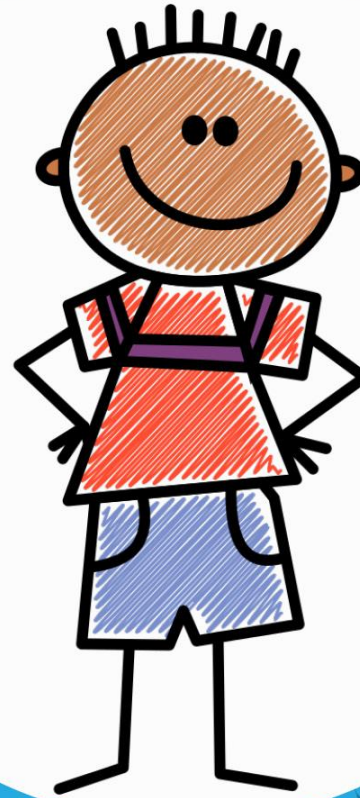

Prayer Leader:

Dear Lord,
You are God.

Thank you for coming
to earth as Jesus
so we can know you better!

You are God
and you had a body
like me

(shake your body)

You are God
and you walked
like me

(walk on the spot)

You are God
and you talked
like me

(say "hello",
"goodbye", "hi")

You are God
and you had hands
like me

(examine your hands)

You are God
and you had feet
like me

(curl your toes)

You are God
and you smiled
like me

(smile)

You are God
and you were sad
like me

(make a sad face)

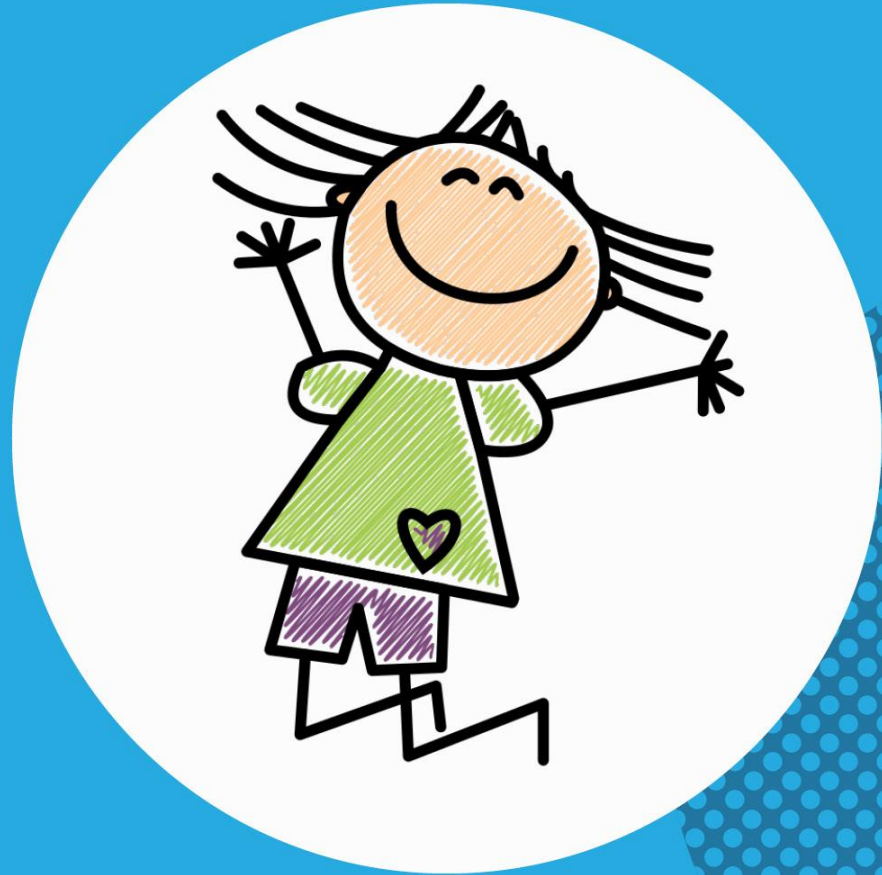

You are God
and you could smell
like I can smell

(sniff your nose)

You are God
and you blinked
like me

(blink)

You are God
and you listened
like me

(silence)

You are God
and you yawned
like me

(yawn)

You are God
and you slept
like me

(mime sleeping)

Close your eyes and
breath in and out very calmly

(pause)

You are God and so
you understand me

You are God, but you were perfect –
not like me!

You are God and you lived and died
and rose for me!

Thank you, Lord, that I can know you
both as God and as a friend.

Think for a moment -
how else can you
be like Jesus today?
