

Glorify Him

Prayer Leader:

Jesus said He was glorified through His disciples, and this week we've learned that we can glorify God too.

- We imagined a tower that helped us see how big God is.
- The story of Sam wanting no other dad but his own helped us see how valuable God is.
- We imagined watching the hero in a pantomime to help us see how beautiful God is.

We don't make the tower tall. We don't make the dad valuable. We don't make the hero beautiful.

All we do is glorify the size and the value and the beauty by seeing it for what it is and by being glad that it is that way and then by acting and speaking in a way that shows other people what we see and what we love.

Prayer Leader:

Remember that 'glorify' means to worship
God like we know how important He is.
So let's ask ourselves:

How can I glorify God today?

Let's pray together:

All:

**Dear God,
Help me to see you as you are.
Give me joy in my heart.
Help me act in ways that show
everyone how important
you are to me.
Amen**
