

YEAR 3 TRANSITION MEETING

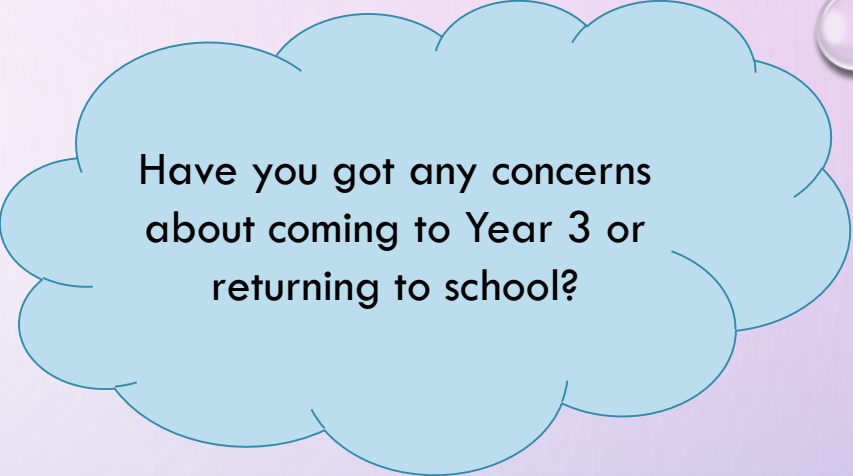

Hello from Miss Pace 😊

CURRENT EVENTS

- School might be a little different when you come back in September. You might not be able to play with your friends from other year groups for a while, but you will all be together.
- We will still be learning our usual subjects, but they will be done differently for the first few weeks back at school. This has been a really scary time and our main focus is making sure that you are happy and feel safe back in school.

What are your thoughts
about coming into Year 3?

Have you got any concerns
about coming to Year 3 or
returning to school?

SHARE YOUR THOUGHTS

YEAR 3 EXPECTATIONS

- In Year 3, we do some challenging work (fun as well). I know that some of you will find things tricky and that is absolutely fine... I struggle with things sometimes too! All I ever ask from my class is that they are never afraid to try, ask for help if they need it and always have a positive attitude to the challenge.
- RULES
- Homework will be set every Wednesday to be handed in by the following Wednesday. Homework will include – one piece of Maths, one piece of English, spellings and timetables. (COVID allowing)

ACTIVITY

- Starting a new academic year is a time for you to say farewell to current teachers. It is important for you to cherish your favourite memories. Create a drawing or art piece of their special memory and frame it in a hand-made photo frame. You may choose to draw a favourite lesson, a funny moment with friends, a school trip, or a job role you are proud of. You can decorate the photo frame. Bring this with you on your first day in Year 3.

HAVE YOU GOT ANY QUESTIONS FOR ME?
