

Home Learning Plan

The table below outlines the planned weekly coverage for your child. Your child's teacher will continue to share learning activities and supporting resources on Wakelet each day (<https://wakelet.com/>) These activities can be completed in your child's home learning book or on any paper children have available. We will look at this work once school reopens. If you have any queries or require support, please see the "COVID19" tab on the website for ways to contact the school.

Year Group	Year 2				
Week	10	From	22.06.2020	To	26.06.2020
Topic Project	The project this week aims to provide opportunities for your child to learn more about space. Learning may focus on our Solar System, the Sun and the Moon. It could look at life in outer space from the view of an astronaut and travelling through space. (Resources to help on Wakelet)				
Subject	Focus	Overview of Home Learning Activities			
Reading	Reading Skills	Read for 15 minutes every day – please use the digital books that have been purchased through Collins. The instructions for this are on Wakelet in the Reading section. Please follow resource section under the book you have read and complete the tasks.			
Writing	Spelling, Punctuation and Grammar	See this week's spellings on Wakelet. Write your spellings out in a list and use the Look, Say, Cover, Write, Check method. Task set on Purple Mash			
	Handwriting	Set on Purple Mash – Ruth Miskin worksheets			
	Text Exploration	Anna and the Third Leaf. Chapter 5. You should have already completed up to Chapter 4 ☺ (set on Purple Mash)			
	Planning for Writing	Prompts on Wakelet. Any queries please email Miss Slater via Purple Mash.			
	Writing	1 – read the chapters, 2 – answer the questions based on the chapters, 3 – missing words for each chapter, 4 – joining words for each chapter, 5 – Re-cap all three chapters of the story so far. Re – write your own version of the story. Can you change the characters? The setting? Etc.			
Maths	Recall Facts	Practise your 8 times table every day – at least 10 minutes. Please also practise the reverse operation. E.g. $3 \times 8 = 24$ <u>or</u> 24 divided by $8 = 3$			
	Measurement	Complete this week's worksheets – available on Wakelet. There are also links to White Rose video tutorials for your children to watch to aid their understanding and learning. Please use the video tutorials dated WB 22 nd June 2020. Worksheets day 1 – 4 and Challenge on Friday.			
RE	Corpus Christi	https://www.learnreligions.com/corpus-christi-feast-body-blood-542468 Task 1 – Using the link above, Create three or four sentences all about Corpus Christi. Task 2 – Create (using materials at home) the body of Jesus Christ that we receive at Mass. You could also create the chalice that the body is held in.			
Science	Light	https://classroom.thenational.academy/subjects-by-year/year-2/subjects/foundation - Please follow this link, scroll down to the heading 'Science: Light' and complete lessons 5 and 6.
