

Home Learning Plan

The table below outlines the planned weekly coverage for your child. Your child's teacher will continue to share learning activities and supporting resources on Wakelet each day (<https://wakelet.com/>) These activities can be completed in your child's home learning book or on any paper children have available. We will look at this work once school reopens. If you have any queries or require support, please see the "COVID19" tab on the website for ways to contact the school.

Year Group	Year 2				
Week	7	From	18.05.2020	To	22.05.2020
Topic Project	The project this week aims to provide opportunities for your child to learn more food. Learning may focus on where different foods originate from, what makes a healthy meal, opportunities to cook etc.				
Subject	Focus	Overview of Home Learning Activities			
Reading	Reading Skills	Read for 15 minutes every day – please use the digital books that have been purchased through Collins. The instructions for this are on Wakelet in the Reading section. Please follow resource section under the book you have read and complete the tasks.			
Writing	Spelling, Punctuation and Grammar	See this week's spellings on Wakelet. Write your spellings out in a list and use the Look, Say, Cover, Write, Check method. Task set on Purple Mash - https://www.purplemash.com/#app/texttoolkit/activities/text_tool_kit_lilys_dog			
	Handwriting	See this week's handwriting on Wakelet.			
	Text Exploration	Oliver's Fruit Salad https://www.youtube.com/watch?v=jcTprklmlm Oliver's Vegetables https://www.youtube.com/watch?v=2yvllKqyVUc			
	Planning for Writing	Prompts on Wakelet. Any queries please email Miss Slater via Purple Mash.			
	Writing	1 – Create a shopping list, 2 – Write a recipe for a healthy meal, 3 – Write a set of instructions for your recipe, 4 – Write a poem about your favourite food, 5 – Design and label a new healthy milkshake. Further instructions on Wakelet.			
Maths	Recall Facts	Practise your 10 times table every day – at least 10 minutes. Please also practise the reverse operation. E.g. $10 \times 3 = 30$ or 30 divided by $3 = 10$			
	Adding and Subtracting	Complete this week's worksheets – available on Wakelet. There are also links to White Rose video tutorials for your children to watch to aid their understanding and learning.			
RE	Mary	Talk your children through the PP all about remembering Mary in the month of May. Task 1 – make a set of rosary beads Task 2 – stained glass window. All resources are on Wakelet.			
Science	Habitats	Explore some micro-habitats outside (garden, park, woodland) Ensure that you are able to do this safely and in line with social distancing. Fill in the sheet for the creatures that you found. Sorting activity – instructions on Wakelet.
