

## Home Learning Plan

The table below outlines the planned weekly coverage for your child. Each day your child's teacher will share learning activities and supporting resources on Wakelet (<https://wakelet.com/>) Links to individual classes pages can be found on the inside cover of children's books or on the school website. These activities will need to be completed in your child's home learning book which they will be required to bring back to school once it reopens. If your child has been absent from school and so has not received their book, or if the exercise book is completed, then any paper or alternative book can be used. If you have any queries or require support, please see the "COVID19" tab on the website for ways to contact the school.

Year Group	Year 2				
Week	4	From	27.04.2020	To	01.05.2020
Topic Project	The project this week aims to provide opportunities for your child to learn more about key animals they are interested in. Learning may focus on exploring the physical aspects of an animal, their habitat, categorising animals etc.				
Subject	Focus	Overview of Home Learning Activities			
Reading	Reading Skills	Read for 15 minutes every day – keep a note in your reading record.			
Writing	Spelling, Punctuation and Grammar	See this week's spelling sheet on Wakelet. Write your spellings out in a list and use the Look, Say, Cover, Write, Check method.			
	Handwriting	See this week's handwriting on Wakelet.			
	Text Exploration	Firework Maker's Daughter			
	Planning for Writing	Prompts on Wakelet. Any queries please email Miss Slater via Purple Mash.			
	Writing	1 – To identify and use adverbs, 2 – To identify the key features of instructions, 3 – To find the meaning on words, 4 – To retrieve information, 5 – To write a set of instructions. <a href="https://www.thenational.academy/online-classroom/year-2/english/#subjects">https://www.thenational.academy/online-classroom/year-2/english/#subjects</a>			
Maths	Recall Facts	Practise your 2 times table every day – at least 10 minutes. Please also practise the reverse operation. E.g. $2 \times 2 = 4$ <u>or</u> 4 divided by 2 = 2			
	Position and Direction	Complete this weeks worksheets – available on Wakelet. PP available to aid understanding. <a href="https://www.youtube.com/watch?v=olqrO_Fovyg">https://www.youtube.com/watch?v=olqrO_Fovyg</a> <a href="https://www.youtube.com/watch?v=iQYhEadikw">https://www.youtube.com/watch?v=iQYhEadikw</a> <a href="https://www.youtube.com/watch?v=ryb26FjpgUE">https://www.youtube.com/watch?v=ryb26FjpgUE</a>			
RE	Easter	Draw pictures and symbols that the Church uses to celebrate Easter. (a cross, water, candles etc) Create a Paschal candle and write down the significance of this at Easter time.			
Science	Habitats	Matching animals to a suitable habitat Hide and seek. Choose a habitat. Hide lots of animal cards around the house/garden. Can a family member find the right animals for the habitat?
