

Home Learning Plan

The table below outlines the planned weekly coverage for your child. Your child's teacher will continue to share learning activities and supporting resources on Wakelet each day (<https://wakelet.com/>) These activities can be completed in your child's home learning book or on any paper children have available. We will look at this work once school reopens. If you have any queries or require support, please see the "COVID19" tab on the website for ways to contact the school.

Year Group	Year 2				
Week	13	From	13.07.2020	To	17.07.2020
Topic Project	This week's learning project focuses on supporting your child with transitioning to their new class. It will give them the opportunity to reflect on their time in their current class, discuss their favourite memories and achievements whilst also considering their hopes and dreams for the next academic year.				
Subject	Focus	Overview of Home Learning Activities			
Reading	Reading Skills	Read for 15 minutes every day – please use the digital books that have been purchased through Collins. The instructions for this are on Wakelet in the Reading section. Please follow resource section under the book you have read and complete the tasks.
