

Home Learning Plan

The table below outlines the planned weekly coverage for your child. Your child's teacher will continue to share learning activities and supporting resources on Wakelet each day (<https://wakelet.com/>) These activities can be completed in your child's home learning book or on any paper children have available. We will look at this work once school reopens. If you have any queries or require support, please see the "COVID19" tab on the website for ways to contact the school.

Year Group	Year 2				
Week	11	From	29.06.2020	To	03.07.2020
Topic Project	The project this week aims to provide opportunities for your child to learn more about space. Learning may focus on our Solar System, the Sun and the Moon. It could look at life in outer space from the view of an astronaut and travelling through space. (Resources to help on Wakelet)				
Subject	Focus	Overview of Home Learning Activities			
Reading	Reading Skills	Read for 15 minutes every day – please use the digital books that have been purchased through Collins. The instructions for this are on Wakelet in the Reading section. Please follow resource section under the book you have read and complete the tasks.			
Writing	Spelling, Punctuation and Grammar	See this week's spellings on Wakelet. Write your spellings out in a list and use the Look, Say, Cover, Write, Check method. Task set on Purple Mash			
	Handwriting	Set on Purple Mash – Ruth Miskin worksheets			
	Text Exploration	https://www.talk4writing.com/wp-content/uploads/2020/04/Y2-Unit.pdf Please follow this link for the text called 'The Magical Teaching Box.			
	Planning for Writing	Prompts on Wakelet. Any queries please email Miss Slater via Purple Mash.			
	Writing	1 - Read Pandora's Box and sketch and label Zeus, 2 - Answer questions about the story 3 - Explore alphabetical order with Apollo and match words to their meanings and write sentences, 4 - Explore apostrophes and read The Magic Box poem, 5 - make a magic box and write a magic box poem.			
Maths	Recall Facts	Practise your 6 times table every day – at least 10 minutes. Please also practise the reverse operation. E.g. $3 \times 6 = 18$ or $18 \div 6 = 3$			
	Measurement	Complete this week's worksheets – available on Wakelet. There are also links to White Rose video tutorials for your children to watch to aid their understanding and learning. Please use the video tutorials dated WB 29 th June 2020. Worksheets day 1 – 4 and Challenge on Friday.			
RE	The Mass	1 – Discuss the people with special roles at mass (priest, altar server, and musician). Draw and label these. 2 – Sequence the parts of the Mass. Use the video to do this. https://www.youtube.com/watch?v=DxLENoT_y-U			
Science	Space	https://classroom.thenational.academy/subjects-by-year/year-2/subjects/foundation please follow this link. Scroll down to the bottom where it says 'Science: Space' and complete lesson 1 and 2.
