

Home Learning Plan

The table below outlines the planned weekly coverage for your child. Each day your child's teacher will share learning activities and supporting resources on Wakelet (<https://wakelet.com/>) Links to individual classes pages can be found on the inside cover of children's books or on the school website. These activities will need to be completed in your child's home learning book which they will be required to bring back to school once it reopens. If your child has been absent from school and so has not received their book, or if the exercise book is completed, then any paper or alternative book can be used. If you have any queries or require support, please see the "COVID19" tab on the website for ways to contact the school.

Year Group	Year 5				
Week	4	From	27.4.20	To	2.5.20
Topic Project	To continue our work on the 'What is the Black Country?' Topic this week there will be some History investigations on Wakelet this week: <ul style="list-style-type: none"> • How did the Black Country get its name? • Investigate the lives of children using case studies
