

**Home Learning Plan**

The table below outlines the planned weekly coverage for your child. Your child's teacher will continue to share learning activities and supporting resources on Wakelet each day (<https://wakelet.com/>) These activities can be completed in your child's home learning book or on any paper children have available. We will look at this work once school reopens. If you have any queries or require support, please see the "COVID19" tab on the website for ways to contact the school.
