

Home Learning Plan

The table below outlines the planned weekly coverage for your child. Your child's teacher will continue to share learning activities and supporting resources on Wakelet each day (<https://wakelet.com/>) These activities can be completed in your child's home learning book or on any paper children have available. We will look at this work once school reopens. If you have any queries or require support, please see the "COVID19" tab on the website for ways to contact the school.

Year Group	Year 1				
Week	9	From	08.06.2020	To	12.06.2020
Topic Project	Over the next few weeks, you will be focusing on our science topic 'animal kingdom'. For the next 2 weeks I would like you to conduct research into your favourite animal. This will need to include information about whether your animal is a mammal, reptile, bird, amphibian etc. This can include art, factfiles, posters, or any other way you wish to share your research.
