

St Mary's Catholic Primary School
Home Learning Plan

The table below outlines the planned weekly coverage for your child. Your child's teacher will continue to share learning activities and supporting resources on Wakelet each day (<https://wakelet.com/>) These activities can be completed in your child's home learning book or on any paper children have available. We will look at this work once school reopens. If you have any queries or require support, please see the "COVID19" tab on the website for ways to contact the school.

Year Group	Year 4				
Week	6	From	11.05.2020	To	15.05.2020
Topic Project	<p>In topic this week we are going to be looking at the food that they ate during the Tudor times. I want you to think about your favourite food. Do you think you would have been able to eat that during the Tudor period? I would like you to look at the PowerPoint that has been provided to see the different food that was eaten during this period. The rich and the poor ate different things. Why do you think this? As the Tudor period was ending there was lots of new food arriving in Britain and only the rich would be able to afford these luxury items.</p> <p>There is a selection of task that you can complete on Wakelet.</p>				
Subject	Focus	Overview of Home Learning Activities
